Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles, pass the post-test with a score of 80% or higher and complete an evaluation form to receive a certificate of completion. You must participate in the entire activity as partial credit is not available.

If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society for Vascular Medicine (SVM). Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME)

Amedco LLC designates this enduring material for a maximum of **13.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses (ANCC)

Amedco LLC designates this activity for a maximum of **13.25 ANCC** contact hours.

Objectives - After attending this program you should be able to:

1. Review the diagnostic approach to common and uncommon vascular diseases.
2. Identify medical therapies for arterial, venous and aortic diseases. Discuss ongoing treatment of unmedicated patients who have recovered from major depressive disorder.
3. Recognize appropriate indications for interventional therapies (endovascular and surgical) for common and uncommon vascular diseases.
4. Review endovascular techniques for treatment of arterial and venous diseases.
5. Prepare for the American Board of Vascular Medicine (ABVM) general and endovascular examinations.
