

ENDURING MATERIAL LEARNER NOTIFICATION

SVM Board Review Course Enduring Material

Date of CE Release: May 30, 2018

Date of Last Review/Revision: January 1, 2022

Date of CE Expiration: December 31, 2022

Location: Online

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles, pass the post-test with a score of 80% or higher and complete an evaluation form to receive a certificate of completion. You must participate in the entire activity as partial credit is not available.

If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society for Vascular Medicine (SVM). Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME)

Amedco LLC designates this enduring material for a maximum of **13.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses (ANCC)

Amedco LLC designates this activity for a maximum of **13.25 ANCC** contact hours.

Objectives - After attending this program you should be able to:

1. Review the diagnostic approach to common and uncommon vascular diseases.
2. Identify medical therapies for arterial, venous and aortic diseases. Discuss ongoing treatment of unmedicated patients who have recovered from major depressive disorder.
3. Recognize appropriate indications for interventional therapies (endovascular and surgical) for common and uncommon vascular diseases.
4. Review endovascular techniques for treatment of arterial and venous diseases.
5. Prepare for the American Board of Vascular Medicine (ABVM) general and endovascular examinations.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1---6.2, 6.5)

All individuals in a position to control the content of CE are listed below.
