Expand Your Horizons with the Society for Vascular Medicine

The Society for Vascular Medicine (SVM) invites non-member physicians from outside the United States to join our community through the **SVM International Membership**. With an annual fee of **only \$34.00**, this membership opens the door to many opportunities and benefits for our international colleagues.

BENEFITS FOR INTERNATIONAL MEMBERS

- **Educational Discounts:** Enjoy special member pricing for SVM's Vascular Scientific Sessions and online education courses including the Online Board Review and RPVI Course.
- **Professional Development:** Participate in the SVM Mentorship Program as a mentee or mentor and engage with peers through the Vascular Medicine Journal Club.
- **Resource Access:** Gain online access to SVM Fellows Course Lectures.

ADVANCING GLOBAL COLLABORATION

- **Networking Opportunities:** Increase your professional network within the global vascular community.
- **Knowledge Sharing:** Contribute to and benefit from a pool of shared knowledge and innovative practices in vascular medicine.

MEMBERSHIP PATHWAYS

- **Transition to Doctorate Membership:** International members have the option to upgrade to Doctorate Membership at any time, gaining full access to all Doctorate Member Benefits including SVM voting rights and opportunities to serve in leadership roles. After a year as a Doctorate member, they are also eligible to apply for the Fellow of SVM designation.

JOIN US

To apply for SVM International Membership, you must complete a [membership application](#), provide a copy of your current CV, and attest to the following: 1) I confirm that the normal Doctorate Dues amount of \$425, ([or the rate for my country](#)) prohibits me from being a Doctorate Member of SVM; and 2) I declare that my membership fee is neither sponsored nor reimbursed by any entity within the medical industry.
