Become a Fellows of the Society for Vascular Medicine (FSVM)	No	Yes

Note: An International physician member may upgrade to Doctorate Membership by paying the appropriate dues, based on the country of residence, to take advantage of all Doctorate Member Benefits, including the FSVM designation, after one year as a Doctorate Member.

Applicants must complete the International Member application, provide your current CV, and attest to the following: 1. I confirm that the normal Doctorate Dues amount of \$425, or for advanced practice providers, the normal dues amount of \$125, (or the rate for my country) prohibits me from being a Member of SVM; and 2. I declare that my membership fee is neither sponsored nor reimbursed by any entity within the medical industry.
